Severe Storms (Derecho)

GRANT NUMBER: DW-35743-20-60-A-19

Qualifying Events

Severe storms brought hurricane-force winds across Iowa's midsection on August 10, 2020. The storm system, identified as a derecho, inflicted significant damage on businesses, homes, crops, and livestock. FEMA issued the major disaster declaration Iowa Severe Storms on August 17, 2020.

Proposal Summary

Iowa Workforce Development submitted an application to the Department on September 11, 2020, requesting \$3,000,000 in Disaster Recovery National Dislocated Worker Grant (DWG) funding. The purpose of the proposed project is to create disaster-relief employment for eligible individuals to assist with cleanup and recovery activities in response to severe storms.

Project Description

The requested funding will create disaster-relief jobs focusing on debris cleanup, as well as the delivery of humanitarian assistance to those affected by the storm.
